

## Troup County Mental Health Court

Please have each line filled out entirely for each community service project that you complete. Please note that if any part of this form is not filled out in its entirety the project may not be counted towards the total number of service hours completed. If you have any questions feel free to contact the Troup County Mental Health case manager, Courtney Powell, at 706-298-3752.

On the back of this sheet are approved community service locations. If you complete hours at a site that is not listed on, you must get approval PRIOR to completing those hours. Any community service completed without approval will not be accepted by the court.
