Welcome to Troup County DUI/Drug Court

Welcome to the Troup County DUI/Drug Court Treatment Program. We understand that this may be your first opportunity to receive treatment for your substance abuse challenges. This handbook has been developed to provide you with a clear outline of our program and the requirements for successful completion. Please review it carefully and feel free to ask any staff member for clarification on any points you do not understand.

If you are committed to living a life free from alcohol and drugs, we are here to support you every step of the way. Your journey towards recovery begins now, and we look forward to working with you to achieve your goals.

The Troup County DUI/Drug Court is a post-adjudication program with a minimum duration of 12 months, designed for non-violent misdemeanor substance abuse cases. It integrates intensive supervision, structured treatment, and rehabilitation, requiring participants to attend frequent meetings, court appointments, and undergo routine testing.

Program Phases:

- Phase 0: Discovery (minimum 4 weeks)
- Phase 1: Connections (minimum 10 weeks)
- Phase 2: Commitment (minimum 10 weeks)
- Phase 3: Stability (minimum 8 weeks)
- Phase 4: Transformation (minimum 8 weeks)
- Phase 5: Restoration (minimum 12 weeks)

To progress through each phase of the program, participants must complete designated tasks. This program requires a strong commitment and includes regular meetings, scheduled court appointments, and routine testing to ensure accountability as outlined in the handbook.

Mission Statement

The mission of the Troup County DUI/Drug Court is to promote a safer community by identifying substance abusing offenders to help them successfully complete a judicially supervised treatment program. The goal is to help the offender break the chains of abuse which will result in an improved quality of life for both the offender and his or her family and will also result in a reduction in crime and recidivism in the courts.

General Phase Requirements

PHASE 0 (Zero)

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: four (4) weeks minimum.
- Court: attend all scheduled DUI Court sessions.
- Alcohol/drug testing:
 - Submit to random breath tests.
 - Submit to random urine screens
 - Submit to SCRAM install for 60 days
 - Submit to weekly SCRAM download
 - Complete Lab orientation with Lab Administrator
- Supervision:
 - Curfew 9 PM
 - Expect random unannounced field visits by DUI/Drug Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed.
 - Complete orientation with Case Manager and meet weekly
 - Pay all probation fees monthly
 - Complete or be enrolled (payment verification provided to Case Manager) in DUI Risk Reduction, provide verification of completion to Case Manager & Probation Officer
- Treatment:
 - Obtain Prime Solutions Book
 - Complete intake and assessment with Treatment Provider
 - Provide a copy of insurance information to Treatment Provider
 - Sign Individual Treatment Plan
 - Attend on time and actively participate in all scheduled or required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of one (1) community-based support group meetings per week (with verification).

Promotion to Phase I:

- Must have completed DUI Risk Reduction or shown verification of payment for future enrolled date.
- Must have signed treatment plan
- Must have completed Program orientation
- Must have completed Lab orientation
- Must be in adherence with your individualized treatment plan and must have been engaged and participated in group discussions regularly, complete/submit all assigned tasks on time.
- Fee balance must be at or below \$150 for treatment and probation, combined.
- Must complete a Phase Completion Form.
 - DUI Risk Reduction completion: credit of forty (40) hours of community service.

General Phase Requirements (continued)

PHASE I

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: ten (10) weeks minimum.
- Court: attend all scheduled DUI Court sessions.
- Alcohol/drug testing:
 - Submit to random breath tests.
 - Submit to random urine screens
 - Submit to weekly SCRAM downloads
- Supervision:
 - Curfew: 9 PM
 - Expect random unannounced field visits by DUI Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed
 - Meet with Case Manager weekly
 - Pay all probation fees monthly
 - Complete Clinical Evaluation, provide verification to Case Manager & Probation Officer
- Treatment:
 - Follow your individualized treatment plan
 - Attend on time and actively participate in all scheduled/required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of two (2) community-based support group meetings per week (with verification).
 - View Victim Impact Video
 - Complete Recovery Capital Assessment
 - Complete Assessment for Medical Intervention, if referred.
 - Continue progressing in Prime Solutions

Promotion to Phase II:

- Must have 30 days of sobriety and no home-check violations
- Must have completed DUI Risk Reduction
- Must have completed Clinical Evaluation
- Must have completed mid-point Level 1 treatment one-on-one with treatment provider
- Must have completed assessment for medical intervention, if required.
- Must have viewed Victim Impact Video
- Fee balance must be at or below \$150 for treatment and probation, combined.
- Must complete a Phase Completion Form.
 - DUI Risk Reduction completion: credit of forty (40) hours of community service.
 - Clinical Evaluation completion: credit of thirty (30) hours of community service.

General Phase Requirements (continued)

PHASE II

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: ten (10) weeks minimum.
- Court: attend all scheduled DUI Court sessions.
- Alcohol/drug testing:
 - Submit to random breath tests
 - Submit to random urine screens
- Supervision:
 - Curfew: 10 PM
 - Expect random unannounced home visits by DUI Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed
 - Meet with Case Manager weekly
 - Pay all probation fees monthly
- Treatment:
 - Follow Individualized Treatment Plan
 - Attend on time and actively participate in all scheduled/required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of two (2) community-based support group meetings per week (with verification).
 - Begin working and progressing in MRT workbook
 - Develop Recovery Capital goals and begin working on them

Promotion to Phase III:

- Must have 30 days of sobriety and no home-check violations
- Must have completed Transitional one-on-one counseling session
- Must have completed all curriculum for Level 1 Treatment (Prime Solutions)
- Fee balance must be at or below \$150 for treatment and probation, combined.
- Must have completed 25% of court-ordered community service.
- Must complete a Phase Completion Form.

General Phase Requirements (continued)

PHASE III

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: eight (8) weeks minimum.
- Court: attend all scheduled DUI Court sessions.
- Alcohol/drug testing:
 - Submit to random breath tests.
 - Submit to random urine screens
- Supervision:
 - Curfew 10 PM
 - Expect random unannounced home visits by DUI Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed.
 - Meet with Case Manager twice a month on non-court weeks.
 - Pay all probation fees monthly
- Treatment:
 - Follow Individualized Treatment Plan
 - Attend on time and actively participate in all scheduled/required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of two (2) community-based support group meetings per week (with verification).
 - Continue progressing in MRT workbook
 - Continue working Recovery Capital goals

Promotion to Phase IV:

- Must have 30 days of sobriety and no home-check violations
- Must have completed Mid-point Level 2 Treatment one-on-one counseling session
- Must have completed (at least) up to Step 6 in the MRT workbook.
- Fee balance must be at or below \$150 for treatment and probation, combined.
- Must have completed 50% of court-ordered community service.
- Must complete a Phase Completion Form.

General Phase Requirements (continued)

PHASE IV

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: eight (8) weeks minimum.
- Court: attend all scheduled DUI Court sessions.
- Alcohol/drug testing:
 - Submit to random breath tests.
 - Submit to random urine screens
- Supervision:
 - Curfew: 11 PM
 - Expect random unannounced home visits by DUI Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed.
 - Meet with Case Manager monthly on non-court weeks
 - Pay all probation fees monthly
- Treatment:
 - Follow Individualized Treatment Plan
 - Attend on time and actively participate in all scheduled/required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of two (2) community-based support group meetings per week (with verification).
 - Continue progressing in MRT and complete workbook
 - Continue working Recovery Capital goals

Promotion to Phase V:

- Must have 30 days of sobriety and no home violations
- Must have completed MRT
- Fee balance must be at or below \$150 for treatment and probation, combined.
- Must have completed 75% of court-ordered community service.
- Must complete a Phase Completion Form.

General Phase Requirements (continued)

PHASE V

- **Maintain sobriety. Do not drink alcohol or use drugs.**
- Duration: twelve (12) weeks minimum.
- Court: attend the first DUI Court session of each month.
- Alcohol/drug testing:
 - Submit to random breath tests.
 - Submit to random urine screens
- Supervision:
 - Curfew: 12 AM
 - Expect random unannounced home visits by DUI Court Surveillance Officer
 - Report to the DUI Court Probation Officer as directed.
 - Meet with Case Manager as needed or scheduled.
 - Pay all probation fees monthly
- Treatment:
 - Follow Individualized Treatment Plan
 - Attend on time and actively participate in all scheduled/required groups and/or individual treatment sessions per week at treatment as scheduled, and complete/submit all assigned tasks on time.
 - Attend a minimum of two (2) community-based support group meetings per week (with verification).
 - Participate in Phase I or II group to mentor new participants every other week
 - Begin and complete Relapse Prevention Workbook
 - Recovery Capital

Requirements for Graduation/Program Completion

To graduate from the DUI Court program, you must meet the following requirements:

- Successfully complete all Phases of the DUI Court program.
- Complete exit interview with lead counselor.
- A minimum of 90 days of negative drug testing shall be required prior to graduation from the program. Testing positive, providing a dilute specimen, and/or missing a test will delay program completion for an additional 90 days.
- Complete an exit interview with your Case Manager.
- Obtain driver's license unless waived by the court.
- Have paid in full all DUI/Drug Court treatment fees.
- Have completed all the requirements of your DUI sentence, including completion of all community service hours and payment in full the sentenced or modified amount of your fine and surcharges as well as any restitution fees.

If your case originated in Troup County State Court and you successfully complete and graduate from DUI Court, your base fine will be reduced to one-half of what was originally imposed, pursuant to O.C.G.A. § 40-6-391(g)(2). After graduation, the DUI Court Probation Officer will continue to monitor you for the balance of your probationary sentence.

Ignition Interlock Limited Permit Application Requirements

Limited Driving Permit

The Troup County DUI/Drug Court wants to help participants succeed in treatment, keep jobs, and meet their responsibilities. If you are doing well in the program, you may be eligible to apply for a **Limited Driving Permit**, even if your license is suspended. This is made possible by a Georgia law (O.C.G.A. § 40-5-76(a)) that gives the DUI/Drug Court Judge the power to order any of the following:

- Restore your suspended license
- Keep your license suspended
- Allow you to drive with a **Limited Driving Permit**, under certain conditions

Permit Conditions

If you're approved for a Limited Driving Permit:

- **Ignition Interlock Device:** You must install this device in your car. It checks your breath for alcohol before you can drive.
- **Follow the Rules:** Breaking any DUI/Drug Court rules—or any laws—can lead to your permit being **revoked immediately**.
- **Traffic Violations:** Even a small traffic ticket (like not stopping at a stop sign) can cause DDS to revoke your permit. If that happens, you lose all driving privileges—even if you've completed everything else.

Who Can Apply for a Limited Permit?

You must meet **all** of the following:

- Your license is suspended because of a **controlled substance violation** (under O.C.G.A. § 40-5-75)
- You have a **valid Georgia driver's license** (not expired, cancelled, revoked, or just a learner's permit)
- You have no license suspensions in any **other state**
- You are in **good standing** in the DUI/Drug Court program:
 - No **positive, missed, or diluted drug screens** in the past **90 days**
 - Up-to-date on all **program fees** (treatment and probation)
 - Successfully **completed Phase 2**
 - Finished **DUI School** and **Clinical Evaluation** (if ordered)
 - No **driving violations** since you entered the program

Important Note About Commercial Licenses (CDL)

If your **Commercial Driver's License (CDL)** is disqualified, the DUI/Drug Court **cannot** restore your commercial driving privileges. Federal law (FMCSA) does not allow reinstatement through this program.

Incentives & Sanctions

Incentives

The DUI/Drug Court team may reward participant compliance and good behavior with rewards known as “incentives.” Incentives may include special recognition by the Judge, gift cards donated by local businesses, or table-top items. Additionally, participants designated as “stars” at status hearings will receive a community service credit of 16 hours.

Sanctions

Sanctions are the opposite of incentives. Sanctions are imposed by the Judge for failure to follow rules and administered during scheduled court days. Common sanctions may include jail time, community service, imposition of a curfew, additional time on the SCRAM unit, and written assignments. The more times a rule is broken, the more severe a sanction can get. The DUI/Drug Court team addresses sanctions on a case-by-case basis. Situations that commonly result in sanctions include:

- Alcohol or Drug Use
- Unexcused absence from court or treatment
- Failure to attend the required number of self-help meetings
- Falsification of self-help attendance sheets
- Failure to comply with treatment requirements

Program Termination

Continued participation in the DUI/Drug Court program is contingent upon adherence with ALL program guidelines and regulations. Some issues that could lead to termination may include, but are not limited to:

- Repeated positive, missed, or diluted drug screens
- Altering or tampering with drug screens
- Repeated failure to attend and/or participate in individual and/or group treatment sessions
- Threats and/or violence against peers; chronic disrespect towards peers, DUI/Drug Court team members, or treatment staff
- New criminal charges
- A pattern of program violations
- Failure to comply with or progress in treatment

Terminations could include serving the remainder of your probation sentence in jail. If you do not consent to termination from the program, you have the right to a termination hearing.

Drug Testing

All participants are provided with the drug screen hotline number upon entry to the program as well as an individualized PIN number. For the duration of your participation in the DUI/Drug Program, it is your responsibility to call in daily (including weekends and holidays) to see if you are required to drug test that day. If for any reason you cannot access this information by phone, it is your responsibility to report to the drug lab during scheduled drug testing hours. Each participant is required to attend drug lab orientation where they will be provided with a list of rules and procedures for the drug testing lab.

You are required to submit to any and all drug screens requested by any member of the DUI/Drug Court team, as well as the random selection process. These will be monitored drug screens, meaning an individual of the same sex will be observing you while you produce a urine sample. The DUI/Drug Court team may also request a hair follicle at any time during participation in the program, to which participants must also submit. You will be tested a minimum of twice per week.

If a urine sample is confirmed positive at the lab and usage is denied, the specimen can be sent off for confirmation at a toxicology lab. Participants are responsible for the cost of the confirmation testing which must be paid prior to the specimen being sent off. Missed and dilute drug screens also count as positives. However, dilute screens cannot be sent off due to there being nothing to test within the sample.

Alcohol Monitoring / SCRAM (Secure Remote Alcohol Monitoring)

EtG (ethyl glucuronide) and EtS (ethyl sulfate) are alcohol metabolites used for monitoring alcohol consumption, as they remain in the body longer than alcohol itself. To avoid false positives, individuals being monitored must strictly avoid exposure to alcohol-containing products. It is your duty to check product labels and avoid substances containing ethyl alcohol. Products to be mindful of may include, but are not limited to:

- Mouthwash: Many contain alcohol; only non-alcohol alternatives are permitted.
- Over-the-Counter Medications: Alcohol-based cough syrups (e.g., Nyquil) and liquid supplements must be avoided unless approved.
- Non-Alcoholic Beer & Wine: These still contain alcohol and can result in positive tests.
- Food & Beverages: Vanilla/almond extracts, flamed desserts, liquor-filled chocolates, and communion wine can cause a positive result.
- Alcohol Vapors: Inhaling fumes from hand sanitizers, perfumes, bug sprays, and solvents may lead to a positive test.

All DUI/Drug Court participants will have to wear a SCRAM bracelet for their first 60 days in the program. The device will vibrate approximately every 30 minutes for testing. Participants cannot consume or use products containing alcohol. No object shall be placed in between the device and your skin. The device cannot be submerged in water; showers are approved.

Leave Requests / Curfew Extensions

Special requests for short-term leave must be approved by the DUI/Drug Court Team. Leave requests are NOT PERMITTED for participants for the first 90 days of the program or for those whose program balance – probation and treatment fees combined – exceed \$150. You are required to discuss drug testing requirements before and after leave with your Case Manager. You may be required to submit to additional drug testing if your leave request is approved. Requests must be submitted in writing to your Case Manager a minimum of two weeks in advance before intended leave. These will be reviewed by the DUI/Drug Court team, and you will be notified by a team member if your request is approved or denied.

Medical Leave Policy

In the event that a medical issue arises such as a surgical procedure or other medical intervention that prohibits you from being able to complete all of your DUI/Drug Court responsibilities, you should advise your Case Manager as soon as possible beforehand or following emergency medical care. The following will also be required:

- You will sign a medical release allowing DUI/Drug Court staff to communicate with your medical provider to discuss the details of your medical case including the type of procedure or illness, the date of the procedure, the medications that will be used during the procedure, the medications that will be prescribed after the procedure, the length of time you are expected to be on Medical Leave after the procedure and any other pertinent information.
- You will be required to provide appropriate documentation including but not limited to: a doctor's excuse to include an estimated return to treatment date, prescription information, ER admission (if applicable), and discharge paperwork. You must also agree to comply with providing additional documentation as requested by the DUI/Drug Court team.

Pathways CSB Policy for DUI/Drug Court Participants

Pathways Center Community Service Board (CSB) is an active partner with the Troup County DUI/Drug Court Program. This partnership allows participants who are identified to possibly have underlying mental health issues, the opportunity to address those issues in a safe and positive environment.

When a participant is referred to Pathways by the DUI/Drug Court team or Counseling Services, Inc., a Pathways intake appointment will be scheduled, and the DUI/Drug Court Coordinator or Case Manager will be notified. At the time of the appointment, the participant will be required to bring proof of identification, Social Security Card, and a Verification of Work Form from the Department of Labor.

For those individuals who are not working or are working but have no private insurance (i.e., Blue Cross and Blue Shield, United Health Care, Etna), services and the payment of services determined according to a “Sliding Fee Scale” based on income. For individuals who have insurance, individuals will only be charged a co-pay fee of \$25.00 per service.

Pathways Center CSB provides many different services:

- Behavioral Health Assessments
- Psychiatric
- Crisis Stabilization Unit (Second Seasons)
- Individual Counseling
- Family Counseling
- Groups Counseling:
 - Substance Abuse
 - Depression/Anxiety
 - Post-Traumatic Stress Disorder (PTSD)
 - Parenting Classes
 - Anger Management

Acknowledgement of Program Requirements

Participants who are placed into the Troup County DUI/Drug Court program agree to comply with specific conditions. Failure to comply with these conditions may lead to termination from the DUI/Drug Court program and the revocation of the probationary sentence imposed by the Court. All participants will agree to the following:

1. While participating in the Troup County DUI/Drug Court program, I am under the jurisdiction of the Court, which holds discretion in revoking all or any portion of the probation time in my case. I will be required to attend DUI/Drug Court review hearings in the Troup County State Court for a case status review on a regular basis. If I am non-compliant, the Court is provided with the specific details regarding the alleged violation of probation.
2. My participation in the Troup County DUI/Drug Court program will involve a commitment of my time and will not be solely at my convenience.
3. The DUI/Drug Court office will supervise my case and monitor my progress and participation in treatment. The program Case Manager and/or Coordinator will require periodic meetings with me at the DUI/Drug Court office.
4. I understand that treatment providers will provide the court with any necessary reports concerning my diagnostic intake, attendance, and participation in assigned group and/or individual treatment as well as any non-compliant status.
5. I agree to attend and be on time for all group and/or individual counseling sessions to which I am assigned. I also agree to actively participate in group meetings.
6. Confidentiality is of the highest importance in treatment. Any personal information fellow group members may share during group sessions is confidential and may not be disclosed to anyone without the written permission of the person to whom it pertains. Violation of confidentiality will lead to sanctions.
7. I agree to pay all required treatment fees whether by co-pay with insurance or out-of-pocket without insurance. Failure to maintain payment of fees will be sanctioned by the Court.
8. Payment of monthly probation fees is required. This amount will include your monthly fee as well as a portion of your reduced fine amount.
9. While on probation, any new charge must be reported to DUI/Drug Court staff immediately. If incarceration is involved, notification must occur immediately upon release. I understand that failure to report any new charge is possible grounds for termination.
10. I am to willingly submit to all drug screening requested of me. These will be random, monitored drug screens, as well as drug screening on demand upon the request of anyone on the DUI/Drug Court Team.
11. I understand that I must not use alcohol and/or illegal drugs. Regular, random, monitored breath and urinalysis tests will be required of me. I agree to submit to all such tests. I understand that a positive result will lead to a sanction. Refusal to take a test or missing a test will also be considered positive and will be sanctioned as such.
12. I understand that I must report any change of my home address, place of employment, hours of employment, and telephone number within 24 hours of the change. I also understand the changes must be reported in writing to the treatment provider.

Acknowledgement of Program Requirements (continued)

13. I will provide DUI/Drug Court staff with contact information for any/all probation/parole officers.
14. I must have prior approval from the program Coordinator and/or Case Manager for an absence from court, a drug screen, or a home check. If I miss court, I understand that the Court will review my situation and my excuse and take appropriate action. If I miss a drug screen or a home check, I understand that it will be marked as a no-show until verification is provided in writing.
15. I must have prior approval from the treatment provider for treatment absence and if I have notified the treatment provider by telephone, this absence will not be excused until written documentation verification is provided. Missing treatment will be excused in emergency situations only. These situations are defined as:
 - Illness which must be verified in writing by a physician.
 - *Occasional* work situations, which must be verified in writing by my superior on company letterhead; work alone is not a valid reason.
 - Family emergency which must be verified in writing by appropriate parties involved.
 - Death of a close relative verified by obituary.
16. Participation in the Troup County DUI/Drug Court program will require attendance at outside support group meetings, and I agree to attend these as required in my treatment plan.
17. Failure to satisfy any of the previous stated terms of this agreement will result in my case being returned to the Court for appropriate action.
18. I have received a copy of the Troup County DUI/Drug Court Participant Handbook and understand its terms.

Court Compliance

Your attendance in court is a critical component of your participation in DUI/Drug Court. Please be aware of how you present from the time you enter the courthouse until the time you exit.

- Please arrive at court on time.
- Dress appropriately in the courtroom; wear clothing that fits appropriately and does not promote substances of any kind or offensive language.
- No hats are permitted inside the courtroom.
- Address the Judge with respect and be honest.
- Have a good attitude.
- Do not use your cell phone and make sure it's on silent mode.
- Do not talk when others are at the podium.

As a DUI/Drug Court participant, you will be required to appear in court on a regular basis. The phase you are in will determine the number of times you are required to appear each month. Failure to appear could result in a warrant being issued for a violation of your probation and a return to court for a probation revocation hearing. If you have questions about your court appearances, you may contact your Case Manager. The DUI/Drug Court calendar for the entire year is provided at your program orientation.

Local Self-Help Options

This list is not conclusive. You may find that there are other meetings in your area not listed here. As long as there is someone “leading” the group who is willing to sign verifying that you attended, you will be permitted to use those meetings toward your self-help meetings requirement.

Self-Help Harbor Recovery Meetings

909 Stonewall St., LaGrange, GA 30240
